CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Ramkrishna Mahavidyalaya College is affiliated with Tripura University, which is a Central University. The college follows the curriculum as per the norms laid down by Tripura University. The curriculum is planned and implemented keeping in mind that it serves the betterment of the students, society, and the goals set by the college. Every year an academic calendar is prepared as per the academic schedule of Tripura University. Each department is asked to prepare its own departmental schedules and maintain the proper records

strictly. Accordingly, action plans are prepared by the respective Departments and a formal, structured plan is submitted to the college head formally. Departmental shortcomings (if any) are discussed and sorted out at the earliest and the requirements of each and every department are met out in due time in order to achieve the goals set by the institution. Respective departments prepare their own set of goals as per the curriculum and adopt the best-suited teaching methods for the students. Faculty members are sent to attend faculty development programmes in different parts of the country in this regard from time to time. Adoption of Information and Communication Technology (ICT) is initiated at different levels to inform and interact with the students and the public at large. Importance is given more on continuous interaction with the students and proper guidance to them from time to time. Syllabus-related information or study-related notes, question papers, and assignments are uploaded through the college website and departmentally. A continuous evaluation process through project works, assignments, internal evaluation, and interaction with the students is followed. These are followed with the remedial classes for the students who are found to fall behind due to various reasons. Students are informed of their progress from time to time. Answer Scripts of their internal examinations are shown to them and assigned works submitted by them are discussed in order to make further improvements in them. All records pertaining to students and intuition are duly maintained and registered for reference and the planning in future.

A students' mentoring committee is formed in the college which included all the HODs and faculty as its members. The aim of the committee is to improve the academic performance of the students and to enhance the bonding between teachers and students. Emphasis is given to the students who lagged behind in their normal activities due to various reasons. Mentoring of the students in the institution is done at a departmental level. Counseling of the students is done on an individual level by the HOD's and the faculty members of the respective departments. The institution organizes various literal and cultural programmes department wise and centrally from time to time. Those activities include speech and debate competitions, college magazine writings, Department wall magazines, sports activities, and cultural activities held from time to time. Students are encouraged to participate in those departmental and college activities to hone their skills and learn new qualities. This has encouraged students to take part not only in college-level programmes and competitions but also in state and national level programmes too. They are also encouraged to participate actively in the NSS and NCC units' activities of the institution. Focus is made to increase the pass percentage of the college through remedial classes. Students are encouraged to take part in competitive exams and to communicate with the teachers to seek their guidance for their careers as and when required. Records of the previous students are maintained as much as possible. Their help and cooperation are sought by the department whenever needed in order to help the students for career guidance. When required parents of the students are informed and consulted for the betterment of the students who are found to fall behind in academic performance.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Ramkrishna Mahavidyalaya is an affiliated college of Tripura University (A Central University). Therefore, Internal Evaluation is done as per guidelines of Tripura University. Through prospectus and arranging some induction program at the beginning of the semester students are acknowledged about the system of evaluation during the course of study. The internal examination management system and evaluation procedures are designed and monitored by the following bodies and committees • Controller of examinations, Tripura University • College Academic Committee • IQAC • Examination Committee of the college Teachers' Council During the six months of the semester maximum of two internal examinations are taken in MCQ as well as descriptive mode. Marks of which are added as 20 of the total marks of the final semester examination. Moreover, some sort of oral and written class tests are taken in regular intervals for continuous and comprehensive evaluation. Students' seating arrangement for internal and semester and final examinations was done more scientifically by allotting serial numbers only on the benches. As a result, they can easily find out their seats during the examination. • Data of students' evaluation was computerized by some of the departments in a satisfactory manner so that any time it can be accessed easily as a ready reference. The college examination committee was able to keep student data computerized which in turn helped to organize internal and semester and final examinations. The respective teachers of the individual departments are communicated with the parents regarding internal evaluation outcomes for their future improvement.
