

# Yearly Status Report - 2018-2019

Part A				
Data of the Institution				
1. Name of the Institution	RAMKRISHNA MAHAVIDYALAYA			
Name of the head of the Institution	Dr. Debabrata Goswami			
Designation	Principal			
Does the Institution function from own campus	Yes			
Phone no/Alternate Phone no.	03824295005			
Mobile no.	9485008471			
Registered Email	rkmahavidyalayakls@gmail.com			
Alternate Email	principal@rkmkls.ac.in			
Address	Ramkrishna Mahavidyalaya, P.O- Kailashahar, Tripura (U)			
City/Town	Kailashahar			
State/UT	Tripura			
Pincode	799277			

2. Institutional Status	
Affiliated / Constituent	Affiliated
Type of Institution	Co-education
Location	Semi-urban
Financial Status	state
Name of the IQAC co-ordinator/Director	Smt. Soma Dutta
Phone no/Alternate Phone no.	03824295005
Mobile no.	9436132651
Registered Email	rkmahavidyalayakls@gmail.com
Alternate Email	principal@rkmkls.ac.in
3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	<u>https://rkmkls.ac.in/files/4.RKM AQA</u> <u>R 2017-18 1629907894.pdf</u>
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	https://rkmkls.ac.in/files/5.%20Academi c%20Calender 2018-19 1629656659.pdf
5. Accrediation Details	•

## 5. Accrediation Details

Cycle	Grade	CGPA	Year of	Vali	dity
			Accrediation	Period From	Period To
1	C++	67.60	2004	16-Sep-2004	15-Sep-2009
2	C	1.89	2015	01-May-2015	30-Apr-2019

## 6. Date of Establishment of IQAC

19-Jul-2010

# 7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture						
Item /Title of the quality initiative by IQAC	Date & Duration	Number of participants/ beneficiaries

14. Whether AQAR was body ?	s placed before statu	itory	No				
-							

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2019
Date of Submission	17-Feb-2019
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	The college uploads all necessary notifications and notices on the college website for easy communication from time to time. The admission process and its related notices and list of selected and waiting lists are uploaded to the website. The examination (internal and university) related notices are uploaded to the website. The list of students appearing for the university exam is sent to the university through an online platform. The stipend section uploads the eligible beneficiary details on the website for further quarries. The list of eligible student's credentials is verified by the stipend section in online mode and sent to the concerned Government bodies. The AISHE data regarding Institutions is uploaded to the website. All the academic and administrative notices are disseminated through online platforms to the faculties. The communication from the Directorate of Higher Education and Institution is performed through an online platform. The teachers and Students exchange their thoughts and views through online platform groups at the departmental level. Teachers also share study materials through the online platform for easy access.

# Part B

# **CRITERION I – CURRICULAR ASPECTS**

## 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Ramkrishna Mahavidyalaya College is affiliated with Tripura University which is a Central University. College follows the curriculum as per the norms laid down by Tripura University. The curriculum is planned and implemented keeping in mind that it serves the betterment of the students, society, and the goals set by the college. Every year an academic calendar is prepared as per the academic schedule of Tripura University. Each department is asked to prepare its own departmental schedules and maintain the proper records strictly. Accordingly, action plans are prepared by the respective Departments and a structured plan is submitted to the college head formally. Departmental shortcomings (if any) are discussed and sorted out at the earliest and the requirements of each and every department are met out on due time in order to achieve the goals set by the institution. Respective departments prepare their own set of goals as per the curriculum and adopt the best-suited teaching methods for the students. Faculty members are sent to attend faculty development programmes in different parts of the country in this regard from time to time. Information and Communication Technology (ICT) is adopted at different levels to inform and interact with the students and the public at large. Steps are also taken to take at least 1 class per week through ICT by all departments. Importance is given more on continuous interaction with the students and proper guidance to them from time to time. Syllabus-related information or study-related notes, question papers, and assignments are uploaded through the college website and departmentally. Continuous evaluation process through project works, assignments, internal evaluation, and interaction with the students is followed. These are followed with the remedial classes for the students who are found to fall behind due to various reasons. Feedbacks from the concerned stakeholders are taken for self-evaluation. The feedbacks are taken positively and the shortcomings found are tried to be met professionally. Students are informed of their progress from time to time. Answer Scripts of their internal examinations are shown to them and assigned works submitted by them are discussed in order to mark further improvements in them. All records pertaining to students and intuition are duly maintained and registered for reference and the planning in future. Students are involved in the project works under various departments for a semester under the guidance of assigned teachers. Association and interaction with the college Alumni are rejuvenated on a regular basis both formally and informally. For the smooth function and implementation of the curriculum, expansion of the college's physical infrastructure for science departments is under progress. A separate proper smart class for the college was envisioned and started.

1.1.2 – Certificate/ Diploma Courses introduced during the academic year

	.4.2 – How the feedbac naximum 500 words)	k obtained is b	eing an	alyzed and	utilized for	overall c	levelopment of	the institution?	
	Feedback Obtained								
	The institution collects feedbacks for its self-evaluation from the concerned stakeholders from time to time in a prescribed format prepared by IQAC. The feedbacks are received on positive notes and is worked upon with good faith thereon. Each feedback is recorded and tabulated according to its category. This helps us to identify and work on our weaknesses in a more appropriate manner. On the basis of feedback received, a proper report is prepared and submitted to the head of the institution. After the review of the report by the principal, the report is discussed with the HOD's and the faculty members, of the institution. The report is sincerely discussed and from there on the weaknesses or suggestions pointed out through the feedbacks are tried to be met with utmost sincerity. It is worked upon in two-prong ways, one centrally, and second department-wise. The record of the progress made on the discussed issue is properly maintained and submitted to the head of the institution accordingly. It is done departmentally and by the Convenors authorized to oversee the work and progress of the discussed issues. <ul> <li>members. The aim of the committee is to improve the academic performance of the students and to enhance the bonding between teachers and students. Emphasis is given to the students who lagged behind in their normal activities due to various reasons. Mentoring of the students in the institution is done at a departmental level. Counseling of the students is done on an individual level by the HOD's and the faculty members of the respective departments. The institution organizes various literal and cultural programmes department-wise and centrally from time to time. Those activities include speech and debate competitions, college magazine writings, Department wall magazines, sports activities, and cultural activities held from time to time. Students are encouraged to participate in those departmental and college activities to hone their skills and learn new qualities. This has encouraged students to take part not only in college-level programs and competitions but also in state and national level programs too. They are also encouraged to participate actively in the NSS and NCC units' activities of the institution. Focus is made to increase the pass percentage of the college through remedial classes. Students are encouraged to take part in competitive exams and to communicate with the teachers to seek their guidance for their careers as and when required. Records of the previous students are maintained as much as possible. Their help and cooperation are sought by the department whenever needed in order to help the students for career guidance. When required parents of the students are informed and consulted for the betterment of the students who are found to fall behind in academic performance.</li> </ul>

View File 2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words) Ramkrishna Mahavidyalaya is an affiliated college of Tripura University (A Central University). Therefore, Internal Evaluation is done as per guidelines of Tripura University. Through prospectus and arranging some induction program at the beginning of the semester students are acknowledged about the system of evaluation during the course of study. The internal examination management system and evaluation procedures are designed and monitored by the following bodies and committees • Controller of examinations, Tripura University • College Academic Committee • IQAC • Examination Committee of the college Teachers' Council During the six months of the semester maximum of two internal examinations are taken in MCQ as well as descriptive mode. Marks of which are added as 20 of the total marks of the final semester examination. Moreover, some sort of oral and written class tests are taken in regular intervals for continuous and comprehensive evaluation. Students' seating arrangement for internal and semester and final examinations was done more scientifically by allotting serial numbers only on the benches. As a result, they can easily find out their seats during the examination. Data of students' evaluation was computerized by some of the departments in a satisfactory manner so that any time it can be accessed easily as a ready reference. The college examination committee was able to keep student data computerized which in turn helped to organize internal and semester and final examinations. Special importance was given to the viva voice of the final semester students in connection with their project papers. Final semester students are assigned a project paper. Which helps them to understand the process and steps of preparing a full-fledged research paper. The college examination committee was able to keep student data computerized which in turn helped to organize internal and semester and final examinations. The respective teachers of the individual departments are communicated with the parents regarding internal evaluation outcomes for their future improvement.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The admission for 1st semester major and the general programme starts from the second week of July. The odd semester (1st, 3rd, and 5th) duration lasts from July to December. The first and second sessional examination is held as suggested in the academic calendar. The semester-end final exam is held in December while the results are published in January. The even semesters (2nd, 4thand 6th ) duration is from January to June. The first, as well as the second sessional examinations, are held in accordance with the academic calendar. Sometimes we have to take one sessional examination in each Semester depending on the number of classes actually held and the extent of the syllabus practically covered. In the case of even semesters, the final semester examination is held in June and the results are published in July. The exact date for the sessional Examination is finalized by the examination committee under the Teachers' Council. The date of the final examination and the Schedule is published by the Controller of Examination, University of Tripura. All other important dates related to holidays, vacations, cultural programs are mentioned in the academic calendar as provisional.

## 2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

## 4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurredon maintenance of physical facilites		
4.96	4.95	2.16	2.11		

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The Ramkrishna Mahavidyalaya College works in the nature and process of Government policies under the overseer of the Department of Higher Education, Govt. of Tripura. The designated Principal by virtue of post is the custodian and supervision the total administration process. The principal with the support and help of staff, involving both teaching and non-teaching staff executes and plans the total administration process. There are several Committees formed and for which convener and In-charge are being assigned and given tasks. The Principal carries out decisions and planning through the Teacher's Council meeting, Academic Committee, and Student's Union Council, etc. The Biometric system of attendance was introduced to keep the regularity of the working staff both teaching and Non-teaching. The Departmental heads also act as stakeholders to the Principal governance and are actively involved in maintaining the respective Departments. The Principal along with the decision of the Purchasing Committee and RUSA coordinator executes the fund as allocated by the Higher Education Department, Government of Tripura. Civil Maintenance: The 'College Development Committee headed by the Convener holds the primary tasks for looking after the maintenance of College premises and buildings. The committee looks after the beautification part of the College, designing fences and creating gardens in the premises. This committee is also responsible for the overall maintenance of College premises like cleanliness, providing safe drinking water and other security measures, etc of the College. Security and Issues: The serious grievances issue and problems of the College are being solved with the help and support of SDM of the District, Municipal Council, PWD, and Police Department. The assigned Gatekeeper and guards take care of the College Campus. The internal electric division of PWD maintains electrical facilities in the college as and when required. The prospect of arranging a security guard was in the proposal from the College Academic Committee. Maintenance of Laboratory Equipments: The respective Departmental heads along with lab assistant looks after the laboratory equipment and machinery. Maintenance of IT Infrastructure: The IT department of the College looks after the overall maintenance of computers and internet connectivity, and procurement of hardware, software, and related equipment. The College website is designed and maintained by the IT department. Library Maintenance: The Librarian along with the sorter and supporting staff takes the overall responsibility for the maintenance of the books. The library committee headed by the teaching faculty guides the Librarian about the needs and purchase of books. The prospect for making the 'library automation' was under the prime planning of the College. Maintenance of Sports Accessories: The Department of Physical Education faculty staff looks after the timely utilization of Gym center and its maintenance of sports accessories of the College. https://rkmkls.ac.in/files/5.%20Procedures%20and%20policies%20for%20maintaining%20and%20utilizing%2020

<ul> <li>5.3.2 - Activity of Student Council &amp; representation of students on academic &amp; administrative bodies/committees of the institution (maximum 500 words)</li> <li>From the 2018-2019 session there is no students union election held in the college and hence there is no students union council at any colleges in the state. But the volunteers and senior students are continuing their participation in the college activities. Our students participate actively in the functioning of the college. The volunteers and senior students perform different academic and administrative activities like- admission, registration, and examination form fill up, induction is according to norms and directives of the DHE and college. Student Volunteers disseminate information from College administration and other committees to all students. They assist the teachers in planning, organizing, and executing various student-oriented activities.</li> <li>They act as mediators between students and teachers to share, discuss and solve their problems if any and have free access to the Principal. Our students actively participate in cultural activities by promoting our customs and traditional Day, Teacher's Day, and Farewell functions and also take the responsibility of maintaining discipline on the Campus. N.S. S is one of the active units in our college that enhances the social and interpersonal skills of the students. Students are involved in planning and executing the year-long activities of N.S. S including the fieldwork and survey conducted during the camp. Students also show a lot of enthusiastic support in innovative practices and best practices of the college, which include participation in activities</li> </ul>										
5.4 – Alumni Er 5.4.1 – Whether		s registered Alun	nni Association?							

Yes

Ramkrishna Mahavidyalaya has a registered Alumni Association with registration number 7785 of 31/01/2018. The total enrolled number of Alumni is 44. The office of the Alumni is comprised of President, Vice-President, Secretary, Jt. Secretary, Organising Secretary, Treasurer, and Principal as ex-officio convener of the Alumni Association. The prime aims and objectives of the alumni association of Ramkrishna Mahavidyalaya are to render valuable advice, the suggestion to the college authority for the smooth running of all activities of college especially for the upliftment of academic and extra-curricular activities. On the other hand, the R.K.M authority may seek advice and suggestion for an unsolved problem for the smooth running of Ramkrishna Mahavidyalaya. The other motto of this alumni association is to maintain a good relationship between the past and the present of Ramkrishna Mahavidyalaya.

5.4.2 - No. of enrolled Alumni:

44

5.4.3 – Alumni contribution during the year (in Rupees) :

0

5.4.4 - Meetings/activities organized by Alumni Association :

On 20.01.2019, the Annual General Meeting of the Alumni Association was held. In this meeting, a decision has been taken to clean the college wetland (backside of the campus) for the purpose of the college and the local community as so many people are dependent on this wetland. Accordingly, the Association did the cleaning of the wetland on 03.02.2019. In this meeting, Alumni Association also discussed the speedy construction of the college Science building near the Water Resource Department and advises the college authority to talk with higher authorities regarding this matter. Feedback was also collected from Alumni Association in the Annual General Meeting.

#### **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Ramkrishna Mahavidyalaya is a Government Institution and follows Government directives in forming various committees and cells. The college has a wellplanned mechanism to decentralize the activities from diverse corners. The Authority disseminates all the academic and operational works and responsibilities to different sub-committees for the smooth functioning of the college. The committees follow a common functioning system for the implementation of activities. The teachers' council is a general body of the college where all the activities are discussed for further action and meets in regular intervals. The Academic committee functions on college academic aspects and advises the authority on academic issues which arise from time to time. The admission committee is accountable for the smooth conducting of the admission process which is formed before the admission process starts. The examination committee is entrusted to implement all examination-related activities starting from internal assessment to University examination. College Development Committee has a key role to play i.e. infrastructure augmentation and maintenance is done through it. The college has a purchase committee that is entrusted to function while purchasing the goods from vendors and the Library committee looks after the library issues and fixes them by addressing the issues to Authority. Committee for Games and Sports are accountable for activities related to games and sports in the institution as well as sending teams/ individuals in other institutions. The committee for drama, literature, and cultural activities and Magazine and social entertainment committee is functioned with the help of teachers and students' council on magazine publication, organizing cultural activities, etc. The grievance redressal cell is entrusted to solve students' grievances at the earliest. Anti Sexual

Harassment Cell is accountable for any issues related to sexual harassment on campus. Anti Ragging cell follows guidelines of the UGC and acts accordingly to mitigate the issues related to Ragging on the campus. The Equal Opportunity cell is entrusted to disseminate the knowledge of gender equality and other related issues. NSS regular activities are done by NSS Volunteers and Programme Officer. NCC parade and regular activities are done through NCC Programme Officer. The College Discipline committee is accountable for maintaining the discipline in the campus and may take disciplinary action by consulting with the college Authority. The college has a Career and Counselling committee which helps the students in choosing their career for the future. The college has a UGC committee which deals with funding and research activities of faculties. The college has a student coordination committee that deals with the Students' council and faculties for college development. The girls and Boys room committee is dealing with the facilities and issues related to the Girls and Boys common room. IQAC and NAAC Steering committee is accountable for NAAC related works. The college has a RUSA committee that is entrusted to utilize the RUSA fund for college development with the help of the CDC. The planning committee prepares the perspective plan for college development. The college seminars and other departmental activities are looked after by respective departments and committees.

6.1.2 - Does the institution have a Management Information System (MIS)?

Partial

#### 6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	The syllabus andcurriculum of Tripura University is followed by the college. Hence, no separate internal curriculum is designed by the college.
Teaching and Learning	<ul> <li>At the beginning of each academic session, class routine is prepared separately for Physical Sc., Bio Sc., Arts and Commerce streams. • The HOD of each department divides the syllabus amongst the departmental faculty members and prepares a plan for timely completion of the syllabus. • Class tests are conducted to judge the level of understanding of the students. • Remedial classes are occasionally taken for weaker section of students. • Smart Class Room and LCD projector is used by many department. • Students' induction programmes are also organized to make the students aware about University Examination System. • Field study and study tour are conducted by the Social Science and Sciencedepartment as prescribed by theUniversity. • IGNOU Study Center and Distance Education Center are functional in the college.</li> </ul>
Examination and Evaluation	• As per guidelines of Tripura University, two sessional examinations for each semester are conducted by each

	<pre>department of the college. It includes both theoretical and practical exam.Theoretical examinations are conducted in pen-paper method. • At the end of each semester, Tripura University conducts Semester End Examination. • Faculty members get deployed for setting question papers and central evaluation of answer scripts of Semester End Examinations conducted by Tripura University.</pre>
Research and Development	<ul> <li>Few faculty members have MRP and others are encouraged to undertake MRP.</li> <li>Infrastructural support such as library, laboratory and reprographic facilities are provided in the college.</li> <li>Institutional support is provided in the autonomy of the principal investigator.</li> <li>Internet facilities are ensured for carrying out research work.</li> <li>Teachers are sensitized to submit seminar/workshop proposals.</li> <li>Science forum takes active initiation for organizing popular lectures on various issues from different departments.</li> </ul>
Library, ICT and Physical Infrastructure / Instrumentation	<ul> <li>Library is equipped with book shelves, computer, Internet facility and photocopier. • Toilet facility and separate reading space for teachers and students are available in the library.</li> <li>Text books and reference books are purchased for the students as and when fund is available. • College has separate academic blocks for Science, Arts and Commerce streams. There exists a separate Administrative Block. • Two well-equipped computer labs with internet facility are functional in the college. • A Smart Class Room has been set up in the college. • There is a common room for girls' students with good siting arrangement, amusement and water facility. • College has a large stadium for games and sports. • Hostel facility is available for the students of Religious Minority group. • A community hall and an ICT enabled conference hall are there in the college. • Type-IV and Type-III quarters are available for teaching and non-teaching staffs. • Electric Generator facility is available in the college. • Construction works of working women hostel, common Room for boys and canteen are progressing. • College has a gym which is maintained by the department of Physical</li> </ul>

	Education. • Construction work of new Sc Block is progressing.							
Human Resource Management	<ul> <li>Management of human resource is donein a democratic way.</li> <li>Students' interests are looked after by the Teachers' Council.</li> <li>In academicsphere the Teachers' Council extends its helping hand to the authority in various aspects forsmooth functioning of the institution.</li> <li>Discipline</li> <li>Committee, Anti-rigging Cell, Grievance</li> <li>Redressal cell and Ani SexualHarassment cell have been constitutedfor greater interests of the students and the college.</li> <li>A core committee comprising of three senior faculty members helps and gives various suggestions to the principal for overall upgradation of the college.</li> <li>Career Counselling cell in actively involved in guiding the students.</li> <li>The NCC unit is very active in gives training to the cadets and organising various camps.</li> <li>The NSS unit of the college actively</li> <li>participate in blood donation, disaster management and other social works.</li> <li>Eco Club and Red Ribbon Club are also vibrant in the college.</li> </ul>							
Industry Interaction / Collaboration	• The college is located in a remote part of the country and communication facility is not well developed. Hence collaboration with industry is not done dill date. • Industrial visit of a tea processing unit in a nearby tea estate is done by different departments.							
Admission of Students	<ul> <li>Admission of student is done as per the norms set by Tripura University.</li> <li>Admission criteria and declaration are made by department of Higher Education of Tripura.</li> <li>The process of admission is done on the basis of merits of the students and as per guidelines issued by the Department of Higher Education, Govt. of Tripura.</li> </ul>							
6.2.2 – Implementation of e-governance in areas of operations:								

E-governace area	Details
Planning and Development	The college's Planning and Development Committee consisting of faculty members plans and executes the extension of the college and the expansion of the infrastructure of the different departments, considering the amounts of grants available. The committee keeps the records of these in
	computer.

L	2 duáná stuptá pr	The sellers closers makes much offerst
	Administration	The college always makes great effort to achieve latest tools to run the functioning of the administration in an orderly manner. It has a Management Information System. Most of the administrative work of the college is performed online. The college website displays notices regarding admission and programs to be held, reports of current events, photos of different programs observed and organized by the students and teachers, job advertisements, quotations, etc. Most of the student information and Accounts documentation are maintained in digital form.
	Finance and Accounts	The college maintains the records of, staff salaries, finance and accounts in the computers. The process of online of transfer of staff salaries is introduced. The college students get their scholarships online through their bank accounts. The college conducts regular audit of the yearly books of accounts for transparency in financial transactions. The administrative office keeps the Books of Accounts to support the process of auditing.
	Student Admission and Support	The admission committee of the college regulates the admission process as per the guidelines of the Directorate of Higher Education. The college publishes the admission merit list of the applicants, preparing the list using computer software. It forms Help Desks to aid the applicants in filling up the admission forms and submitting the filled-up forms with the requisite fees.
	Examination	The Examination Sub-committee of the college timely conducts Internal Sessional Examinations. Respective Departments keep the records of marks of Internal Sessional Examinations and upload them to the Tripura University web portal. The Examination Sub- committee also helps the students to fill up university examination forms with the help of ICT tools and keeps their records. The college provides Desktops and an Internet facility for keeping records and uploading marks.

### 6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	Exte	rnal	Internal		
	Yes/No	Agency	Yes/No	Authority	
Academic	Nill	Nill	Yes	IQAC	
Administrative	Nill	Nill	Yes	IQAC	

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

The institution does not have a parent-teacher Association, although parents and teachers interact informally at the departmental level. There was a 'Parent-Teacher' meeting in the conference hall of Ramkrishna Mahavidyalaya formally in the academic session 2018-19. From the interaction of parents and teachers, it has come out with the following points for improvement: 1. The lacuna between the Teaching method and students' learning mechanism. 2. Students' future career possibilities. 3. Students' performance in the internal and final examination and further action for improvement. 4. Students' all-around character development imitative from both the end. 5. Teachers urge the parents to monitor their wards at home regarding studies. 6. Parents urge the Teachers regarding mentoring their wards on the campus as well as off-campus. 7. Parents are satisfied with the students' participation in co-curriculum activities and outreach programmes.

6.5.3 – Development programmes for support staff (at least three)

 Talk on Office Management 2. workshop on Hands-on Training of Microsoft Office and Excel 3. Workshop on University Checklist Verification for University Examination

6.5.4 – Post Accreditation initiative(s) (mention at least three)

Structured feedback collection system 2. Academic and Administrative Audit
 Library Maintenance 4. Seminars and Awareness Programmes 5. Infrastructure augmentation and maintenance 6. Maintained Cleanliness and greenery of the campus

6.5.5 – Internal Quality Assurance System Details

#### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

Practice - I Academic Activities, Programmes and Research: The College authority continuously focuses on students' progression, evaluation, and teaching-learning processes. The authority keeps developing a sound environment for academic activities on the campus. Students are mentored at the departmental level by the concerned departmental students. Faculties encourage the students to do visit the library every day whenever gets time. Students of Ramkrishna Mahavidyalaya go for field trips organized by the respective department to experience reality. The students of Ramkrishna Mahavidyalaya continuously engaged in laboratory works to know more about the things which are framed in their respective syllabus. The students also do projects in the last semester of their programme individually. Students also do field workstudy and prepare reports of that particular study. The 'Soil Testing Centre' of the Geography Department is running smoothly with its limited resources. The response from students is good in this regard. The college faculties are actively organized and participate in various academic lectures, seminars, workshops, and other related programmes and awareness programmes where students also participate. All these programmes and activities motivate the faculties and students to work further and more efficiently and help the students to develop scientific minds and understand the beauty of Science. The faculties of various departments are engaged in research projects funded by state and national agencies. Practice - II Cultural and co-curricular activity: The cultural and co-curricular activities of this college play a significant role to develop the overall potentialities of the students. Students of this college come from diverse cultures and social backgrounds. Keeping in view the diverse cultural aspects, the college celebrates fresher's welcome programme, Milad, Kokborok day, Foundation day, college week, and other related cultural programmes. The Students of this institution actively participate in such programmes. Students of Ramkrishna Mahavidyalaya also participate in cultural programs organized by other organizations off-campus. Students also actively participate in sports activities to make them physically active and mentally sound. NSS and the NCC unit of Ramkrishna Mahavidyalaya actively participate in various activities. NSS volunteers and NCC cadets usually go for outreach programs. NSS volunteers donate blood individually or in camps organized by the Institution or other Institutions or other organizing bodies. The college Authority also planning to introduce rainwater harvesting and vermin-compost production center on the campus.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The mission of the institute is man-making education and the vision is to give students the best form of education with the help of modern methods of teaching. The Institute has a smart classroom where students get the feel of learning through audio-visual equipment. The students are also encouraged for the field trips. The students overall development educationally, morally, and physiologically is the priority of the institute. The students are guided in the career they chose after completing graduation. They are encouraged to take up various competitive examinations. They are made aware of the benefits of staying healthy and fit. The student community takes part in various plantation drives, cleaning drives, blood donation camps, etc organized by the college and other organizations. The teaching staff organizes various seminars, workshops, conferences where students and teachers get to know what is happening in the world. The teachers are encouraged to sharpen their knowledge by participating in orientation, refresher, faculty development programs. The teaching faculty are encouraged to undertake research activities.
