

Ramkrishna Mahavidyalaya

The Department of Education & IQAC, Ramkrishna Mahavidyalaya, has conducted an online lecture on "Health & Hygiene" on 04.09.2021. All the faculty and students took active part in the session. The occasion was further graced with the virtual presence of resource persons from our college, named Sri Venkat Raman Tripura, Assistant Professor, Department of Education, Ramkrishna Mahavidyalaya. In the said programme, basics of prevention of COVID situations, precautionary and safety measures, development of immunity in the body, use and benefit of hand wash, use of sanitizer, soap & mask were discussed. About 80 to 90 students participated actively in the said programme. The programme was very informative, interactive, and several questions were asked during the discussion session by students.

Work Responsibility of 'Physical Fitness Motivation Team for Students'

The physical fitness motivation team for students' works in the manner prescribed here as follows:

1. The students who enrolled their names are continuously motivates other students to do Physical fitness.
2. The students keep telling the benefits of physical exercise.
3. Students may show fitness videos to other students for motivation purpose.
4. Students may also do some physical exercise in front of other students to show how to do physical exercise.
5. Enrolled students reach individual students in the campus or off-campus physically or through e-communication to spread the benefits of physical exercise.
6. Students should spread the knowledge of good effects of physical exercise even at home so that our society also physical fit and healthy.
7. Students should motivate other students and then tell other students to motivate other students and their known persons about the good effects of physical exercise.
8. Students also spread the ill effects of not performing physical activities regularly.
9. Students of this team also paste hand written placards and posters to the campus regarding good effects of physical exercise.
10. Students should also tell other students regarding their diets and food habits.

Work Responsibility of Disaster Management Response Team

The Disaster Management Response Team for the college works in the manner prescribed here as follows:

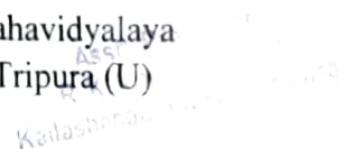

The Disaster Management Response Team will work as a team when any kind of hazard or disaster occurred in the campus then this team will work as frontline response team. The faculty of Geography department will lead this team. The theoretical and technical support will be provided by the institution. The students will take special care in the fractures or cracks in the buildings (Old and New Building) and report to the Convener of this team. After receiving the report, faculties of Geography department will do inspection the sight and check its vulnerability for the sake of student and faculties' safety. If the fractures or cracks are vulnerable, then straightaway the convener of the disaster management response team will report to the college authority. If any other natural hazards or manmade hazards occurred in the neighbourhood of the college, then this team should be ready to response at anytime. Above all, this team should be always ready to respond in any moment for any kind of calamities.
