Report
Career Guidance Program
On
HCL Tech-Bee Early Career - Job Integrated Program

Date: 6th May, 2022

A career guidance program was jointly organized by Dept of Physical Sciences, Dept. of Information Technology and Placement Cell, Ramkrishna Mahavidyalaya in collaboration with HCL Technologies Ltd on “HCL Tech-Bee Early Career - Job Integrated Program” on 06-05-2022. At start of the program welcome address was delivered by Dr. Pinaki Pal, Principal in-charge, R.K. Mahavidyalaya. He delivered valuable speech on the importance of quality & skill for better job prospects and motivated the students to take part in such placement cell activities at their own interest. Then there was a special address by Sri Prasenjit Sinha, Coordinator of Placement Cell addressing the students about the Placement Cell activities and its importance for students. This is followed by guidance session by our program guidance expert, Mr. Jayanti Goswami, State Head (Tripura), TechBee, HCL Tech. Ltd. on the Early Career Program for students, its features, methods of applications and other details required for appearing the aptitude test & interview. Registration for application for the tech-Bee Early Career program was done on voluntary basis by the interested students. More than 40 students from science stream participated in the session. There was also a discussion session where lots of queries & doubts were cleared by our expert from HCL.

Under the TechBee program held last year (01-11-2021) at R.K. Mahavidyalaya, one girl student, Miss Rima Begam of B.Sc. Physical Science, has passed the aptitude test and interview and finally joined the TechBee program. She has been brilliant and have topped TechBee All India 2020 batch in the first 6month training program. Her success set an example and motivated many other to take part in such career opportunities.

After the completion of the session, students were satisfied & highly motivated by seeing the opportunities at an early career and have shown much interest in applying for such opportunities. The program ended successfully with vote of thanks proposed by Dr. Bijan Deb, HOD/In-charge, Dept. of Physics, R.K. Mahavidyalaya.
