MINUTES OF THE MEETING OF THE COMMITTEE CONSTITUTED VIDE NOTIFICATION NO. 112-DHE/ESTT(G)/2015 DATED 28-12-2015 IN REGARD TO RECORDING THE PROCEEDINGS AND PROS AND CON OF RECOMMENDED SEGREGATION OF 661 SANCTIONED POSTS OF ASSISTANT PROFESSOR, GDC HELD ON 30-03-2016 IN REFERENCE TO THE EARLIER DECISION TAKEN ON 19-1-2016 HELD IN THE CHAMBER OF THE BRANCH OFFICER, ESTABLISHMENT GAZETTED SECTION AT 3.00 P.M.

The members presents in the meeting are:-

2. Smt. Manidipa Debbarma, Principal, Women's College, Agartala,
3. Dr. Dipannita Chakraborty, Principal, B.B.M.College, Agartala

6. Smt. Reena Datta, Associate Professor, Women's College
7. Dr. Swapan Kr. Poddar, Associate Professor, B.B.M. College
8. Sri Dharendra Debbarma, Joint Director, Higher Education

The Committee discussed the matter as per direction of the Education (Higher) Department for maintaining a common principle on segregation of posts of Assistant Professor.

2. It is desirable that as per UGC guidelines, the average teacher students ratio would be 30:1. But the above guideline may not be followed for acute shortage of faculties in the State for many reasons. The Government of Tripura is setting up General Degree Colleges in every Sub-Division, where the number of availability of students are not adequate according to the intake capacity. But, minimum number of teaching faculty meant for the course teaching required to be placed to the colleges. Hence, teacher students ratio cannot be followed in the State at Government (General) Degree Colleges owing to the facts stated above. In view of the above, the Directorate of Higher Education made an exercise on the issue of total faculty required to be placed in all 22 General Degree Colleges, wherein it was placed before the authority that, 1366 number of teachers required to be appointed to the all General Degree Colleges according to the UGC norms, but 511 teachers are in position as on 18-2-2014 against 661 number of sanctioned posts of Assistant Professor. Shortage of Assistant Professors are covered by 288 number of Post Graduate Teachers regularly appointed and 396 Guest Lecturers.

3. In view of the sanctioned strength of Assistant Professors in colleges segregation of the existing 661 posts of Assistant Professors as stated above are made on following principle :-

- (i) At least 2(two) regular Assistant Professors uniformly be provided for Arts subjects, 3(three) faculties for Science subjects which has practical classes and 4 (four) faculties for Commerce (having 18(eighteen) variety of subjects teaching) for meeting up minimum requirement.
- (ii) It was taken into consideration that the existing man in position of the particular subject working in 22 General Degree colleges be accommodated in the proposed segregation process.
- (iii) The pending proposal of the department for opening of new course teaching in some selected colleges in addition to existing course teaching may also be taken into consideration.

4. In view of the above perspective, the committee re-consider its earlier decision dated 19-1-2016 for segregation/distribution of 661 (six hundred sixty one) sanctioned posts of Assistant Professor, Govt. (General) Degree Colleges in 31(i.e clubbing IT & CSE as one branch) disciplines/ branches and recast the recommendation on the principle as stated above at Para - 3 , which are as follows

No.F.1 (65)-SHEC/RUSA/2016/651(22)
GOVERNMENT OF TRIPURA
DIRECTORATE OF HIGHER EDUCATION

Dated, Agartala, 19th June, 2019.

To
The Principal (I/C),
Ram Krishna Mahavidyalaya,
Kailashar, Tripura

Subject: Filling up faculty data in the RUSA, MIS portal.

Madam,

I am to refer to the subject cited above and to inform you that there appears some difficulty in filling up College wise faculty data in respect of sanctioned posts, vacant posts etc. as there is no College wise sanction of posts maintained in the Department. The total sanctioned posts of 661 Assistant Professor are in single cadre in the Department.

In this regard, the Department has worked out the existing availability of total number of teachers in your College and additional requirement i.e. vacant posts keeping parity with subject wise of deployment of number of teachers for other Colleges. The total sanctioned and vacant posts are worked out with respect to the man in position as on December, 2018 in respect of your College is given below, which may be utilized for filling up the RUSA, MIS portal by 20th June, 2019 positively.

Man in position	Vacant posts	Total sanctioned posts
37	12	49

In this regard, it may be mentioned here that while filling up faculty data in the RUSA, MIS portal, the clarification may be given in the hard copy and upload if as a soft file, where it should be mentioned that the "Department maintains the total sanctioned posts of Assistant Professor as single cadre post. There are no college wise sanctioned posts. But as per the present requirement and availability, the vacancy/requirement of number of teachers and total required/sanctioned posts are worked out and accordingly given in the portal".

Yours faithfully

(Saju Vaheed A, IAS)
