We can organise a weekly training session

I suggest there should be a projector for teaching purpose.

The institute take active interest promoting internship, student exchange , field visit oppoetunities to all students

Make teaching a two interaction

We need more praticaly in teaching to understand

We can organize a weekly training session

Three observations or suggestions to improve overall teaching and learning experience in institution are: Use better graphics and visual media to engage students well. ... Try to reach every student and ask for their doubts. ... Make teaching a two way interaction.

Not every Teacher are friendly, some doesn't respond to our greet having such attitude

teacher discourage the students to ask the questions so overall I wanted to improve

Maintain note of the phrases of the lesson .

A copy of your responses will be emailed to the address that your provided

We need more computers available in our institute. And if the library facility is even better, it will be good for us. If this happens, it will be good for our studies.

Analysis and action taken on the survey feedback (2023-24)

The Analysis report is submitted to the Head of the Institution and after through analysis of the report, the Head of the Institution called for a meeting and discussed the report with the faculty members and requested to work for further improvement sincerely by incorporation with suggestions mentioned by the stakeholders in every possible manner.

The students responded positively about teachers teaching, institutional facilities provided. Students are also highly satisfied with various extra-curricular activities, cultural programs in the college.

Some of the suggestion of the meeting for further course of action on the feedback are as follows

(i) Library Committee- Suggestion for scope to increase library books strength further and be prepared any plan for future for purchase of books whenever funds available.

(ii) Purchase committee- Take note of procurement of smart classroom whenever fund available for teaching-learning.

(iii) Procurement of science lab equipment's as much as possible and whenever funds available.
