## **Analysis and Action Taken on the feedback data collected for 2022-23**

Teacher's feedback reflects that curriculum is well-defined and facilitates students to gather pragmatic knowledge to enrich them for their success in life. Every year library committee takes initiative to increase the number of reference books and to improve other library facilities. Projects, field-studies, and practical classes maintains the balance of the theory and application. The professional development of the teachers is always encouraged by the authority. Leave for higher study and fdp courses is mainly sanctioned by the Directorate of Higher Education. College authority always cooperates the faculty members by proper forwarding of the application for due consideration by the DHE.
